THIS EXAMINATION CONSISTS OF 1 QUESTION

LAW 334.001 Introduction to Asian Legal Systems

QUESTION 1 Please choose two of the following questions and answer to these questions you chose:

- A. Describe some of the key features and characteristics of the legal profession (including the judiciary) in Japan, Korea and China? Compare three countries.
- B. Describe the power relationship between the legislature and the head of the Executive branch of government in Japan, Korea and China? Compare three countries. Please feel free to use current and/or historical examples if necessary to more fully illustrate.
- C. What are some of the key features and characteristics of corporate governance in Japan, Korea and China today? Compare three countries. Please also address in your answer the question of what the challenges/implications are for today's economy.
- D. What are the major critical junctures in the legal history of the three countries? How would you compare the differences and commonalities among them and with your own country?
- E. Is it possible to establish an Asian common community among Japan, Korea and China? How likely is it? Compare also the challenges in each country.
